

Student Clubs, the Inseparable Parts of OKU

"Share, learn, discover your creativity, reach your goals with OKU Student Clubs!"

OKU has 57 student clubs operating in various fields such as social, cultural, social responsibility, technology, career, science, art and sports disciplines. Thanks to our active student clubs, more than 7 thousand students gather in clubs. Our clubs, which have a rich activity potential, organize interviews, concerts, theater plays, autograph days, sports events, festivals, exhibitions, science conferences,

Dormitory Facilities

For the accommodation of Osmaniye Korkut Ata University students, there is a female student dormitory for 2000 students at a distance of 1.5 km from the university and a male student dormitory for 1000 students at a distance of 250 m. There are also many private dormitories and accommodation opportunities for our students around Karacaoğlan Campus. Besides, there is a dormitory for 500 male/female students operating under the General Directorate of Credits and Hostels in Kadiri.

Transportation

It takes 1-2 hours by taxi or bus to arrive in Osmaniye from Adana Şakirpaşa Airport, Gaziantep Airport, Hatay Airport and Kahramanmaraş Airport.

By railway, it is possible to arrive in Adana and Mersin twice a day and Malatya-Elazığ once a day from Osmaniye. Osmaniye has direct or indirect highway transportation from all the provinces in Turkey.

For inner-city transportation, there are private-public buses and taxis departing from Osmaniye Bus Terminal and the city center at regular intervals.

**Dear Prospective Students;
Our university was established in 2007 and continues its education with 2 institutes, 8 faculties, 2 high schools and 5 vocational schools. We will be very happy to see you in the O.K.U. family.**

A Bridge to Europe: OKU Erasmus Program

"We increase the diversity with Erasmus+ agreements with 215 Universities from 20 Countries!"

OKU Foreign Relations Office carries out our university's exchange programs and international student activities. According to mobility reports, OKU maintains its place among the top 3 universities in Erasmus mobility/grant ranking among 27 universities established in 2007 with a performance of over 90%.

Within the scope of the Erasmus Program, we have agreements with 215 universities from 20 countries and we have been maintaining our foreign exchange programs since 2011. In total, we sent 379 students abroad to study and do internships with the Erasmus program.

We plan to continue our Erasmus activities between 2021-2027, gradually increasing the quality and capacity.

OKU Research Centers That are Indispensable for R&D

Within our university, we have various research centers that operate with the aim of continuous development in consistent with the changing and developing world.

- Translation and Proof-Reading Application and Research Center
- Language Education and Research Center
- Energy Education-Study Application and Research Center
- Career Development Application and Research Center
- Central Research Laboratory Application and Research Center
- Continuing Education Application and Research Center
- Turkish Education Application and Research Center
- Distance Education Application and Research Center
- Data Analysis Application and Reserch Center

SOCIAL, CULTURAL AND SPORTS ACTIVITIES at OKU

A variety of activities are provided to our students in order to enable them to enjoy their extracurricular free time in social, cultural and sports fields. In addition, there are training halls and a state tent that belong to the Provincial Directorate of Youth and Sports in our campus.

In this context, with the student clubs established by our students, an indoor sports hall, a Semi-Olympic swimming pool, a stadium in FIFA standards, pitches, tennis courts, an adventure park, a climbing wall, a skateboard park, a 1.5 km long running track, basketball and volleyball courts and squash halls are offered to our students in the green spaces of our campus.
